

Attendance and punctuality policy

Policy Author: Mr J Cowper

Policy Review Date: September 2019

Aims

Morecambe Bay Academy recognises the clear link between the attendance and punctuality and the attainment of pupils. The aim of this policy is therefore to encourage the highest possible levels of attendance for individual pupils, vulnerable groups and the school as a whole.

We also recognise that promoting good attendance and punctuality prepares pupils for the disciplines of adult working life. In order to achieve this, all members of the academy have an important contribution to make. The policy contains strategies that identify the ways in which we can all contribute to improving attendance at the academy and the roles of all members of the academy in achieving this.

Guiding Principles

- To improve the overall percentage attendance of pupils at our academy, with an expected target of 97%.
- To raise the profile of attendance and make it a priority for staff, pupils, parents/carers and the Governing Body.
- To ensure the provision of appropriate guidance and support for parents/carers, pupils and staff.
- To develop and monitor clear procedures for maintaining accurate registers.
- To develop a systematic approach to gathering, analysing and acting upon attendance data in order to target attendance related issues.
- To develop a framework within which all staff can work to provide a consistent approach to raising levels of attendance using relevant agencies as appropriate.
- To provide a safe and caring environment where each pupil can engage in all opportunities offered.
- To work with pupils and their families to ensure every pupil has good attendance and punctually.
- To have regard to the Disability Discrimination Act 1995 and reasonable adjustments will be made for young people.

Creating a culture of 'good attendance' at Morecambe Bay Academy

- A no excuse to attendance management with all members of the academy having responsibility for improving individuals and whole academy attendance.
- Morecambe Bay Academy will have a solution focused approach to overcoming barriers and improving attendance.
- Letters/newsletter reminders of the importance of good attendance, celebrating successes – each half term.
- Website updates to include positive messages of attendance – clear link to policy/procedures/expectations.
- Every assembly will have welcome slides including focus on attendance – form attendance figures, form of the week, form of the half term (receive form prize – attendance trophy).
- Termly Celebration assemblies to include 100% attendance certificates.
- Notice boards updated weekly of whole year group attendance figures and form attendances.
- Individual pupil names listed half termly where attendance is 100%. These pupils will enter a 'random' prize draw each half term which is drawn in assemblies.
- Half term 100% certificates to be awarded.
- Postcards/texts/emails/phone calls home for positive attendance.
- 'Attendance Mondays' will be a theme for attendance where tutors will promote the importance of good attendance and hold individual conversations with pupils relating to their attendance figures during tutor time (Tuesday's for year 11).
- Posters promoting good attendance to be displayed in each form room and across the school including staff offices.
- Focus weeks for raising attendance throughout the year.
- Attendance will be a standing agenda item on all pastoral meeting schedules.

Expectations of parents

- To avoid keeping their child away from the academy for any reason other than illness or other authorised explanation (see overleaf).
- To avoid arranging holidays during term time.
- To immediately contact the academy by phone (01524) 410207 on the first day of any absence giving clear reasons.

Thresholds and interventions:

Dependent on attendance figures (by session) pupils will be divided into three subgroups requiring three distinct waves of intervention. Each subgroup will be RAG rated on an attendance spreadsheet with interventions clearly flagged.

All parents/carers of pupils with an attendance of 93% and below for 2017/18 have received a letter expressing our concern, highlighting the fact that their attendance will be closely monitored from September and any absences will be unauthorised without medical evidence.

- **<95% - WAVE 1:** All pupils will receive a **stage one** letter once their attendance falls below 95% or any pupils who have an absence and are being monitored from the previous year in the first half term. The stage one letter is a letter which states our concerns and notifies pupils and parents/carers that attendance will be monitored over a 4 week period. Pupils will be set with clear targets and any pastoral support required will be identified and implemented. Monitoring will cease providing there is 100% attendance over this time frame and the pupil hits their target. Once attendance is above 95%, this will be 'celebrated' with pupils and parents/carers and no further action will be taken.
- **<92% - WAVE 2:** All pupils who have an absence following a stage one letter within the monitoring period or attendance falls below 92% will receive a **stage two** letter. This letter will clearly state that all further absences will be unauthorised unless accompanied with medical evidence. Continued pastoral support will be given and attendance monitored over a 4 week period with weekly communication between school and home. Where attendance reaches 95%+, no further action will be taken and improvements celebrated.
- **<90% - WAVE 3:** Pupils who continue to have absences following the stage two letter or fall below 90% will receive a **stage three** letter and invited in for an attendance panel meeting organised by AIMS and chaired by Year Leader and/or a member of SLT. Pupils below 90% will receive day one home visits where possible where there are unsatisfactory reason for absence or a pupil is particularly vulnerable list. this will be flagged up by the AIMS team member who will be accompanied by the relevant Year Leader.

Following a stage three letter and a panel meeting all absences will continue to be unauthorised. First day contact and home visits to continue for subsequent absences. Pupils at Wave 3 will continue to receive pastoral support, monitored until attendance reaches 95% or above where no further action will be taken. Dependent on complexity of need the CAF process may be started and TAFs held with Year Leaders identified lead. Engagement with external agencies sought. If there is no improvement and attendance reaches 80% there will be a referral for a fixed penalty notice to be issued following the accumulation of evidence gathered by AIMS.

Punctuality

- The gate at the rear of the academy will be closed at 8.55 am and pupils must enter the school using the front gates after this time.
- Any pupil arriving after 8.55am will be met at the front gates by a member of staff and issued with a S4 late 1 hour after school detention on the following day – pupils will be given a late detention slip/card.
- Pupils must keep this card and show it to the teacher in period 1. If the pupil fails to present a late card they will receive a 'late' S3 detention.
- Repeated lateness will be reported to parents/carers. Repeated lateness after the register has closed may be dealt with in the same way as absence. Parents/carers may be issued with a Penalty Notice or even prosecuted in the Magistrates Court.

Leave of Absence

Any requests for leave of absence will be strongly discouraged. Requests for absence will be declined unless the parents/carers are able to demonstrate **exceptional circumstances**:

- Parents/Carers are strongly discouraged from taking their children on holiday during term time All requests for leave of absence will be declined unless parents can evidence exceptional circumstances which is at the discretion of the Principal.
- Requests for holiday leave during exam times will not be authorised under any circumstances.
- Parents/carers must apply for leave of absence using the academy's application form which can be requested from the academy office or downloaded from the academy's website. Applications must be made at least 2 school weeks in advance.

- If a pupil fails to return from an agreed period of absence, investigations will be made by staff (telephone calls/home visits by the pastoral team and Attendance Improvement Officer).
- If the academy's investigations fail to make contact with the parents/pupil the case will be referred to the Children Missing Education Team who may, after further investigation, inform the academy that the pupil may be removed from roll.
- Penalty Notices will be used in cases where an application for leave of absence is refused and the pupil is subsequently absent during the dates originally requested. Parents will be warned of potential consequences when an application for leave of absence is denied.

Authorised/Unauthorised Absence

Authorised absence is where the academy has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the academy can do this.

Parents/carers should immediately contact the academy by phone (01524) 410207 on the first day, by 9.00 a.m., of any absence giving clear reasons. This should be followed up by a note on the child's return.

Absence may be authorised for such reasons as:

- Illness
- unavoidable medical/dental appointments
- exceptional family circumstances e.g. bereavement
- days of religious observance
- study leave involvement in a public performance

Absence will not be authorised for such reasons as:

- looking after brothers/sisters/unwell parents/carers
- birthdays
- family holidays where permission has not been granted (please note, family holidays during term time will not normally be approved).
- special occasions, where the academy does not agree that the absence should be granted.

Medical/dental and other appointments should be arranged out of school hours wherever possible. Where this is not possible, pupils should, where practically possible, come to the academy before the appointment, sign out and return to the academy after the appointment. Confirmation of all appointments by way of appointment card, letter or appointment slip must be provided for any absence to be authorised. If medical appointments are attended at the start of the day, causing the pupil to arrive late to school, confirmation of the appointment (as above) must be provided or a late detention will be issued.

Following an explanation from parents/carers regarding a pupil's absence, the academy will decide whether or not it accepts the explanation and authorise/unauthorise accordingly.

Children Missing Education

The academy (Attendance Lead) will notify Lancashire's Children Missing Education Team when pupils have missed 10 consecutive school days without permission (or sooner if school are aware that the pupil is not going to return e.g. moved out of area) via the CME referral form.

The academy (Attendance Lead) will complete CME9 removal from roll form and/or provide Lancashire (offroll@lancashire.gov.uk) with the relevant details where a pupil has been removed from roll and a start at a new school has been confirmed or where the CME Team has advised the academy that removal from roll is authorised.

Penalty Notices

Section 23 of the Anti-Social Behaviour Act 2003 brought into force Sections 444A and 444B of the Education Act 1996 which empower designated LA Officers to issue Penalty Notices in cases of unauthorised absence from school.

The LA has prime responsibility for developing the Code of Conduct (protocol) within which all partners named in the Act will operate. Circumstances in which a Penalty Notice may be issued include:

- Parentally condoned absence
- Unauthorised leave of absence in term time
- Unwarranted delayed return from an extended leave of absence (without academy agreement)
- Persistent late arrival after the register has closed.

A minimum evidential requirement of fourteen (14x half days) sessions lost to unauthorised absence by any pupil across any 2 terms during the school year and/or ten (10 x half days) school sessions lost in the current term may also trigger the process. This is not an exhaustive list and each case will be considered individually.

A Section 444 Prosecution will be considered when:

- A pupil's attendance is less than 65%
- There has been a lack of response to PNs- such as two already used in an academic year.
