### Specific Safeguarding

Morecambe Bay Academy is committed to keeping our children safe from specific forms of abuse. We therefore ensure that:

ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused, such as:

Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism, there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.

- ALL staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty'
- ALL staff will undergo Prevent training

- ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation

- The trust Online Safety Policy will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place
- DSLs understand when it is appropriate to make a referral to the Channel Panel

Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.

- The academy curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE
- The academy Online Safety Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place

Honour Based Violence (HBV) 'A crime or incident, which has or may have been committed, to protect or defend the honour of the family and/or community'. (ACPO Working Definition 2008) ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of Honour Based Violence.

Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.

Female Genital Mutilation (FGM) is encompassed within the term Honour Based Violence

- ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Violence to the DSL immediately
- FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
- ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them
- Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific legal duty on teachers. If a teacher, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher must report this to the police.

Modern Slavery The Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

- Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA

**Peer on Peer Abuse** occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18.

This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

- ALL staff and volunteers understand that children can abuse other children
- ALL staff and volunteers will inform the DSL of suspected peer abuse and record in line with academy's recording policy
- Peer on peer abuse will be taken as seriously as any other form of abuse
- All staff understand that abuse is abuse and should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up"
- All staff will understand that pupils with SEND are more prone to peer group isolation and school will have extra pastoral support to address this.
- Physical and emotional abuse between peers will be managed under the school's Behaviour Policy
- Harmful sexual behaviour will be identified and managed using the [Brook Traffic Light Tool](#) and with support and guidance from LCC Schools Safeguarding Officer
- Sexting will be managed on a case by case basis using national and local guidance and advice from LCC Schools Safeguarding Officer
- In cases of suspected or actual peer on peer abuse a risk assessment will be undertaken and appropriate and proportionate control measures put in place to manage and reduce risk. Seek advice from LCC Schools Safeguarding Officer
- Referrals to Children's Social Care, Police and/or other appropriate agencies will be made where thresholds are met
- DSLs understand that regarding peer on peer abuse, the victim and the perpetrator are likely to have unmet needs and require support and assessment to determine these.

- The DSL will assess on a case-by-case basis, supported by children's social care and the police if required to ensure the most appropriate response for the children / young people involved.

The DSL will consider:

- the wishes of the victim in terms of how they want to proceed
- the nature of the alleged incident
- the ages of the children involved
- the development stages of the children involved
- any power imbalance between the children
- is the incident a one-off or a sustained pattern of abuse
- are there ongoing risks to the victim, other children, school or college staff
- contextual safeguarding issues

Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:

- the victim
- the alleged perpetrator
- all other children (and if appropriate adult students and staff).

Risk assessments will be recorded and kept under review as a minimum termly.

**Domestic abuse** is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 and over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to:

- Psychological
- Physical
- Sexual
- Financial
- Emotional

Exposure to domestic abuse and / or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result.

- ALL staff and volunteers understand what domestic abuse is and the potential impact upon children and how this might be displayed.

The DSLs will: -

- Ensure that the school has suitably trained Key Adult/s in order to fulfil its obligations under Operation Encompass

- Ensure that the school's commitment to Operation Encompass is known throughout the school community via the means of staff training, parental letters, posters and the school website

**Children Missing from Education** can be a potential sign of abuse or neglect including sexual exploitation, undergoing female genital mutilation, forced marriage or travelling to conflict zones.

- ALL staff and volunteers follow school procedures when a child misses education particularly on repeat occasions to help identify the risk of abuse and neglect
- The school Attendance Policy is up to date, reviewed annually and includes reference to CME
- There is an admissions policy and an attendance register
- The Local Authority is informed of any pupil who fails to attend school regularly, or has been absent without the schools permission for a continuous period of 10 school days or more **where reasonably possible** schools and colleges should hold more than one emergency contact number for their pupils and students.
- All staff will be aware that children going missing from education can be a warning sign of safeguarding considerations and act on these in line with the policy

### **Other vulnerable categories**

- All staff will have read Annex A of Keeping Children Safe in Education and be aware of specific forms of abuse and safeguarding issues and vulnerable groups of children including;
- Children in the Court system;
- Children with family members in prison
- Child Criminal Exploitation (County Lines)
- Homelessness

## COVID-19 Contingency Safeguarding addendum

The purpose of this safeguarding addendum is to ensure appropriate safeguarding measures are in place for pupils who are still attending school and those who are not attending school due to school closures during the COVID-19 emergency measures.

**The following will be in place for those pupils who are attending school:**

The current safeguarding policy will apply to these pupils.

Pupils who are expected to attend school will be registered in the AM and PM. Pupils who are not present will receive home contact. If there are any safeguarding concerns home visits and or referrals to CSC will be made.

A DSL should be available in person or by phone each day. If due to illness this is not the case as per the school Safeguarding Policy - in exceptional circumstances where a DSL is unavailable then staff should speak with a member of SLT.

**The following will be in place for those pupils who are unable to attend school:**

Information will be displayed on the website and sent to parents regarding support which will be made available for pupils who are at risk of suffering harm. The following support will be offered:
