19<sup>th</sup> March 2020

Dear parent or carer,

As you will be aware, the Government has decided to close all schools from this Friday.

The school will still offer support to students right up to the summer. We will be running a provision for the families of key workers and vulnerable students and key staff will be here. We will also offer online and telephone pastoral support to make sure students are well and happy at this troubled time.

We want to be as flexible as possible to meet the needs of key workers. If you would like your child to remain in school, either full, or part time, please indicate using the table below. This will help us in our planning for example NHS workers, police and fire service staff, delivery drivers, care home workers and those who work in schools.

We will be offering mixed age learning, focusing on English and Maths and practical activities like art, technology and PE. For older students, we will be keeping the Library open for reading, private study and PC use.

The Government has also promised financial assistance in the form of supermarket vouchers for students who are in receipt of free school meals. As soon as we have more details, we will make these available to you.

I would like to take this opportunity to thank you for the support that you have given us so far and I am proud of our young people and look forward to seeing them all again when we reopen.

It is really important that we receive this information by midday tomorrow - Friday 20<sup>th</sup> March. Please deliver the table to reception or return via email: [reception@morecambabayacademy.co.uk](mailto:reception@morecambabayacademy.co.uk)

Child's name: \_\_\_\_\_ Year group: \_\_\_\_\_
