Re: Instrumental Tuition – 2020/21

Dear Parent/Carer,

Welcome to Morecambe Bay Academy. In addition to our normal curriculum, the school also provides musical tuition during the school day. There are 30 lessons a year divided between the three terms. Students have a lesson most weeks, but the time varies so that the same subject is not missed every week. Timetables are available for students to check in advance and are scheduled for a full term.

Each term Student's receive 10 individual 20 minute lessons. The cost of this is £100 per term (£10 per lesson). However, vocal lessons can be paired and this reduces the cost to £50 a term. Singing lessons are extremely popular option and are led by Mrs Williams (Lead Vocal Practitioner for Lancashire Music Service). If you wish your child to be considered for a paired singing lesson, please state this clearly on the form. Payment must be made in advance before any lessons commence through ParentPay, our online payment system. If you wish to terminate music lessons at any point throughout the year a full term's written notice is required.

If children are ill or fail to attend, the fee cannot be repaid to parents. The times of the lessons can be changed for students who are unable to attend because of tests or coursework but only after consultation with Mrs Dalgleish.

If you are in receipt of free school meals you may apply to the school for financial help. Please contact Mrs Dalgleish (Head of Music) for information regarding this process. Email: gdalgleish@morecambebayacademy.co.uk

The school also has a number of instruments which we will provide on a free loan basis if your child wishes to take up an instrument. Please indicate on the reply slip below what instrument your child is playing and whether you own your own. If the instrument belongs to you, you should insure it against loss or damage before using it in school.

The school will be offering tuition during the school day in Drums, Voice, Keyboard/Piano, Strings and Guitar. By signing the form you are agreeing to the conditions we have set out.

Yours sincerely

Mrs G Dalgleish
Head of Music
