Dear Parents/Carers,

Welcome to our weekly update to tell you what has been happening at the academy and what events are coming up in the near future.

### **Covid Testing**

We have now completed our in school covid testing and will be distributing home testing kits to all students who have consented to testing early next week. The kits come with full instructions and we will also send further details of the frequency of testing required.

### **Assessment 2021:**

We are still waiting for the assessment materials to be published by the government. We are expecting publication close to the Easter holidays. We are still encouraging teachers to do lots of revision activities with students to recap on course content. Some students are asking questions about this, please reassure your son/daughter that as soon as we are able to give clear information we will do.

### **Parents' Evening:**

Our Year Nine Parents' Evening will take place on 24<sup>th</sup> March: this will be a virtual event. The virtual Parents' Evenings have been very successful and I encourage you to make an appointment to talk about your child's progress. Please look out for the upcoming Year Seven Parents Evenings.

### **World Poetry Day:**

Various doors have been decorated around the school today to celebrate World Poetry Day and our Key Stage Three students have been busy completing activities on poetry from around the world.

### Student Praise:

Jack Dillon in Year Nine created an amazing 'take' on Arthur Miller's play The Crucible this week: please take a look at it using the following link: well done to Jack for being so creative!

It has been great to walk around the academy and see so many students settled back in and working so hard. It feels as if things are slowly returning to some form of normality and walking around talking to our students out in the spring sunshine this week has been lovely.

I hope this week's letter finds you safe and well,

Kind Regards

Mrs Heather McClurg (Principal)
