Dear Parents/Carers,

It was lovely to welcome students back after the Easter break and also to be enjoying some spring sunshine which has meant that students have been able to enjoy lunchtimes outside relaxing enjoying the weather.

Assessment 2021:

A letter was sent out via Synergy yesterday outlining assessment arrangements for Y11 and Y13 this summer. We will send a full assessment timetable out as soon as we have been able to finalise arrangements next week. In the meantime, please encourage your son/daughter to keep revising the content that their teachers have directed them to.

Easter Revision:

Easter revision was well attended by Year 11 – so a big thank you to all of you who encouraged your son/daughter to attend.

Parents' Evening:

Year Seven Parents' Evening went well this week. I would encourage Year 8 Parents' to make appointments as soon as the information comes to you for Year Eight Parents' Evening on May 19th.

Upcoming News:

The Maths Department have been successful in securing a workshop by the nationally renowned Mathematician, Rob Eastaway. He delivers lots of inspirational talks and workshops around the country bring the subjects of Maths alive and giving it a real-world relevance. We are extremely fortunate to have secured this opportunity and look forward welcoming him on 26th May: more details to follow soon.
