Dear Parents/Carers,

Welcome once again to our weekly update.

Assessments:

We have finally come to the end of our assessment period and I think there has been a collective sigh of relief from staff and students. Again, I would just like to say how proud we have been of all the students who have behaved with such maturity through this process: especially those who have faced some of these final weeks self-isolating. We look forward to celebrating the students' success with them on results day.

Student Survey:

Please encourage your son or daughter to complete this survey as soon as possible. We would like as many views as possible so that we can ensure that any improvements we can make are in place for September.

Our Students:

This is our weekly spot where we take the opportunity to show what our students have been doing this week:

Miss T. Waldmeyer, Teacher of French: Year 8 students wrote a very detailed and impressive paragraph in French about Paris: Erin, Petru, Natalie, Jake and Florence. Well done to them!

Mrs Laird wanted to say: "Year 11 have been an absolutely privilege to teach for the past 5 years and a special mention for 11cFr1 and 11yLf3 who have been lovely groups this year."

Ms Paternoster who teaches Criminology wanted to say well done to Lily, (Year 12) "who has made an amazing revision resource for her Criminology exam next half term. She did this independently and she has donated a copy to our department."

The Rob Eastaway visit was a huge success with many 'wow' moments for our Year 8 mathematicians – and staff.

Finally, today was the day that we said farewell to our Year 11 and Year 13 students. This is always a day of mixed emotions: pride to see what lovely young people they have become, sadness to be saying goodbye, a little anxiety about what the world may hold for them and a sense of optimism as we see the next generation about to embark on the next stage of their lives.

I would like to say on behalf of everyone at the academy that it has been a privilege to have taught and looked after all of them and we do sincerely wish them every success and, more importantly, every happiness in their future lives.

So goodbye to Y11 and Y13 and the very best of luck!

As always, if there is anything I can help you with, please contact school and I will do my best to help.

Have a lovely half-term, I think we have been promised some sunshine.

Mrs Heather McClurg (Principal)
