Morecambe Bay
Academy

Welcome to

I am delighted to welcome you to my school. Our academy is an exciting and vibrant place, rapidly improving over the last few years, with significant investment in our site and impressive increases in examination performance.

Morecambe Bay Academy provides a robust academic education for students aged 11-18 of all abilities. The academy's values are belong, believe, achieve leading to happy, resilient and hard-working young people. Our school is friendly, approachable and well disciplined.

The school has an extensive heritage and has served the families of Morecambe since 1919. Over recent years, several million pounds have been invested in our new Art and Music block, new windows, roofs, gatehouse and IT infrastructure. The students of Morecambe deserve an excellent learning environment and we are committed to making sure this happens.

As Principal, I believe my role is to strive to release the potential in all of our young people. We have high expectations for every single student here to ensure they are challenged and supported to achieve the very best of their ability.

I encourage you to visit the academy on our open evenings and days, but also on any ordinary day when school is in session. I know you will be impressed by my confident, well-educated young people. I look forward to meeting you in person.

Kind regards,

Mrs Heather McClurg | Principal

Welcome

Belong

Belong

Morecambe Bay Academy is a caring community of learners where students are taught the academy values and become part of the school family.

All students have excellent pastoral care through their Form Tutor and Head of Year. A further layer of support is offered through external agencies and community groups as necessary.

More importantly, our core curriculum teaches soft skills such as team work, empathy and self-confidence to encourage students to develop their character, as well as achieve examination results.

There are many extra-curricular opportunities to enable all students to engage widely with school life and develop a sense of belonging.

Believe

Praise and encouragement are vital ingredients of our improvement journey. Students are rewarded for their high levels of effort and hard work. Our Aspire programme enables them to have wide cultural and social experiences, encouraging them to believe in their own success.

There is a strong emphasis on resilience and stretch and challenge in the classroom. Students are taught to believe that they can do anything if they set their mind to it!

We engage local employers, careers experts and the local universities to help our students imagine the possibilities of their futures.

Believe

Achieve

Achieve

The students at Morecambe Bay Academy achieve well and fulfil their potential. Each year, at GCSE, we have clusters of Grade 9s across all subjects. Grades in GCSE and A-Level subjects, have increased year on year.

This is because we invest in the quality of teaching in the classroom, have improved resources and provide high quality intervention and additional support for anyone struggling.

We also achieve outside of the classroom, through Duke of Edinburgh awards, the Aspire programme, Music concerts, Drama performances and varied sporting activities.

School Values

Belong

We are kind and compassionate
We are respectful
We are honest and trustworthy

Believe

We seek out new challenges
We are resilient and determined
We have high aspirations

Achieve

We work hard
We pursue excellence
We persevere
