Dear Parents/Carers,

Welcome once again to our weekly update. I hope this letter finds you all safe and well

### **Results Days 2021:**

Results Days for GCSEs and A Levels have been brought forward this year and take place in the same week.

A level results for Year 13 students are on August 10 and GCSE pupils will receive theirs two days later on August 12. We will send full details of arrangements for these before the end of term.

### **Sixth Form Applicants:**

If you have a son or daughter who intend to come to our sixth form please keep a look out over the next week on our social media for information about a virtual event we are holding for them. This event will cover important aspect of sixth form life.

### **Opportunities for Students:**

There is an opportunity for students to join The Fire Service cadets. If your child is interested please see the link below.

Lancashire fire service are recruiting fire cadets (age 13-18) at Morecambe Community Fire Station to start in September (Tuesdays 6pm-8pm).

Info on website. <https://www.lancsfirerescue.org.uk/education/cadets/>

### **Mask Wearing:**

Thank you for your support in providing your son/daughter with a mask and encouraging them to wear them. We will let you know if this is to continue after the summer holiday as soon as we have more details.

## LGBT+ Pride Month:

We are proud to announce that we have become a Stonewall Champion School. As a school we have always been committed to tackling any form of homophobic, biphobic or transphobic bullying. Stonewall School and College Champion membership will help us develop further as school, to ensure LGBTQ+ children and young people feel valued, respected and represented.

## Great Wood Primary Visit:

Mrs Laird, Miss Waldmeyer & Mr Patrick welcomed Year 6 pupils this week into their lessons, they said:

"On Tuesday afternoon, we were finally able to welcome the two Year 6 classes from Great Wood Primary School to Morecambe Bay Academy French department. The pupils participated in activities to revise their learning on adjectives and build their knowledge of the solar system, by being able to name and describe the planets in French. The enthusiasm and ability shown by both classes was superb and we would like to thank Mrs Harris for having arranged the visit.

We look forward to being able to welcome the new Y6 classes for their visit in the Autumn term!"

## **Our Students:**

### **Geography**

Geography are very impressed with the hard work, effort & interest 9 C2 are showing in their Climate Change unit of work, which is fitting in nicely with the new ground heating bore holes and thinking about reducing their carbon footprint

### **Art:**

Art commented that excellent work is being produced by Year 10 Art at the moment, they have shared some of the work on our art department instagram page. The Art Department have been really impressed by their work ethic and desire to produce creative outcomes.

### **Science:**

Miss Black would like to say: "well done to all Year 10 Science groups for working really hard in their assessments for Science this week."

### **Ex Students:**

It is always good to hear about the success of former students and this week we were very pleased to hear that our former student Matthew Whittaker achieved a First in his Degree. He is now going to study for a Masters Degree in Strengthening & Conditioning at Bolton University.

A big well done to Matthew and good wishes for your future success.

I hope you have a good weekend and that the weather manages to brighten up a little.

Kind Regards,

Mrs H McClurg (Principal)
