Dear Parents/Carers,

As you may have read in the news, schools are being asked to provide testing stations in January to enable students to take a lateral flow test before returning to the classroom. The lateral flow test will be self-administered by the students with supervision from a member of staff.

The requirement for students to be tested and gain a negative result before returning to the classroom means that we will have to have a slightly staggered start to the first day on the 4<sup>th</sup> January 2022.

The school day will be as follows:

8:55 am start for Y7  
8:55 am start for Y10  
8:55 am start for Y11  
8:55am start for Y13

1:00pm start for Y8  
1:00pm start for Y9  
1:00pm start for Y12

Please find a consent form on the back of this letter. They will need to bring the consent form with them on the 4<sup>th</sup> January showing that you have consented to testing at the times stated above. There is a copy of the consent form on our website. All students who are being tested need to queue up outside the library; there will be staff there to inform them what to do next.

If you do not consent to testing, your child needs to attend school at the times shown above, but they will go straight into lessons.

Kind Regards

A handwritten signature in black ink, appearing to read 'H. McClurg'.
