15th June 2022

Dear Parents & Carers

It is with regret that I inform you that we must close the school and Sixth Form tomorrow, Thursday 16th June, to all pupils except those taking public examinations. The public examinations tomorrow morning are A-level Physics and A-level Psychology and in the afternoon, we have GCSE French and A-level Business. These pupils **must** attend their examination as normal.

I understand the childcare difficulties that this may cause some parents. This unavoidable school closure is due to a gas leak from one of our meters, meaning we shall have no hot water to the main building affecting our toilets facilities, and so we must close. Sadly, the cricket fixture tomorrow is also cancelled. However, any pre-arranged parental meetings will still be going ahead.

We hope that repairs will be completed tomorrow and school will re-open as normal on Friday 17th June 2022.

Kind regards

Gavin Gomersall
Principal
