

How your y11 English revision planner works:

This planner has been created to ensure that you are revising a selection of both **English Language** and **English Literature** topics before your exams. These are topics that have been selected based on past exam questions and your mock results.

- For each day, you have a 15/20-minute revision task to complete. The resources for these tasks are linked in the 'Daily revision task' box below. Some also have Educake quizzes that you can complete after.
- Details of Easter revision sessions and after school booster classes are also here.
- You can also see what you will be covering in lessons that week.
