All students will be invited back to school on Friday 21st June to attend a formal leaving assembly.

From Monday 3rd June students are welcome to attend school, to revise in the library, if they would like to work in this environment. They may also contact and access their subject teachers for continued support during their remaining exams.

Sixth Form Results Day is Thursday 15th August. Results are available from 8.00am until 11.30am from the library. We ask that every student attends school with an adult on this day so that they can be supported to collect results and make important decisions about their future.

If pupils are logging on to the UCAS platform, before attending school, we also ask that they do this under the supervision of an adult so that they may be supported. If students are unable to collect results in person they should please make contact with our Exams Officer, Mrs Govindbhai, to organise alternative collection.

Yours sincerely
