Purpose of the procedures

The purpose of these procedures is to confirm how Morecambe Bay Academy deals with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies in compliance with JCQ regulations (GR 5.13). Details of these procedures are made widely available and accessible to all candidates by publishing on the Academy website and emailing out to pupils and parents at the start of the examination season.

The arrangements for post-results services

Candidates must be made aware of the arrangements for post-results services prior to the issue of results (GR 5.13) A review of moderation cannot be undertaken upon the work of an individual candidate or the work of candidates not in the original sample (PRS 4.3) The appeals process is available after receiving the outcome of a review of results (PRS 5.1) At Morecambe Bay Academy, candidates are made aware of the arrangements for post-results services prior to the issue of results. Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking (GR 5.13, PRS 4.1). This information will be made available to candidates prior to results day, via information posted on the Academy website.

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged (where applicable) are provided by the Examinations Officer, via email and through the website, towards the end of the examination season.

Dealing with requests

All post-results service requests from internal candidates must be made through the centre (GR 5.13). At Morecambe Bay Academy the process to request a service is by completing the relevant form, available from the Academy website and by making full payment for the chosen service when submitting the form.

Candidate consent

Candidates must provide their written consent for clerical re-checks, reviews of marking and access to scripts services offered by the awarding bodies after the publication of examination results (GR 5.13). Morecambe Bay Academy will acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a clerical recheck, a review of marking or an access to scripts service is submitted to the awarding body. Morecambe Bay Academy will acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a

review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Morecambe Bay Academy will only collect candidate consent after the publication of results.
