7 October 2025

Dear Parents and Carers,

As we approach a crucial stage in your child's academic journey, I am writing to inform you about the upcoming Year 11 mock examinations and to ask for your support in helping your child prepare effectively.

Mock exams will take place from **Monday 10th November to Friday 21st November**. During the week beginning **Monday 10th November**, students will sit formal assessments in **English, Maths, and Science** under full exam conditions. In the following week, beginning **Monday 17th November**, assessments in other subjects will be conducted during lesson time.

These examinations are an important opportunity for students to demonstrate their progress and identify areas for improvement ahead of the final GCSEs. To perform well, students must be revising regularly in their own time. To support this, we have created a **revision timetable**, which is attached. We encourage you to review this with your child and help them plan their study time effectively.

We also offer additional support through our **Success Lounge**, which runs **Monday to Thursday after school until 4.15pm in the library**. Subject-specific **lunchtime revision sessions** are also available, and we encourage students to attend those that are relevant to them.

From next week, we will be sharing **topic-by-topic revision suggestions** on our school Facebook page to help guide students' preparation. Please take a moment to discuss these with your child and encourage them to make use of all available resources.

Thank you for your continued support. Working together, we can ensure that every student is well-prepared and confident going into their mock examinations.

Warm regards,
Jennifer Pardoe
Headteacher
